Dear 2nd Grade Parents:

Attached you will find the **"First Reconciliation Readiness Worksheets"** for your child who is preparing for First Reconciliation during the Lenten season. Please sit with your child and help him/her to complete this assignment. In doing this, you will gain some understanding with regards to your son or daughters' personal readiness to celebrate the Sacrament as a second grader. Have your child tell you the **"loving response"** and the **"unloving response"** (both) to each scenario. Write the response in the space provided on the sheet. (You may write down your child's responses to the questions for him or her).

Note that the question "why" is asked also. Please have your child answer that "why" question too. We want the children to know the reason for their responses. This exercise is given so that **you, as parents, can decide the readiness of your child** for the Sacrament of First Reconciliation.

You will have until JANUARY to finish the **"First Reconciliation Readiness Worksheets."** Please include this signed "Parent Response" along with the worksheets. Thank you for your time in this very important part of your child's moral development.
