May 2010

Dear Parents,

I am writing this letter to inform you of registration procedures for the 2010-11 Religious Education year. Attached is the registration form for your completion. You may complete the form on line; however, the completed form cannot be emailed. It must be printed and returned with the appropriate fee.

The Religious Education Coordinators will be present for in-house registration to collect completed forms and fees on **Saturday, May 22 after the 5:00 Mass and Sunday, May 23 after the 9:00 am, and 10:30 am Masses**. Any questions you may have can be addressed at that time.

- Kindergarten fee: \$35 per child
- Grades 1 – 10 fee: \$75 per child
- Grade 11 fee: \$35 per child
- Fees are not to exceed a total of \$225 per family

Before filling out the form we ask that you carefully read and then pledge your full support to the three statements that are listed below. These establish a partnership between family and parish community for the sake of the faith development of the children God has entrusted to us.

1. **Our children learn faith from the faith-filled adults in their lives.** Your attendance at the Eucharist weekly is most necessary in addition to the daily faith practices that are part of your family living. This establishes a true context for faith development.
2. **Your participation in our programs is essential.** Your time, talent and support of our programs will enrich them immensely. Your children will know that religious education is important when they see you volunteer and invest your time and talent in some aspect of the program. Your attendance at the family sessions is required.
3. **Your sacrificial offering by use of the church envelopes or ParishPay is crucial to the health of our parish community.** The cost of our religious education is \$170,000 for this present year: including salaries, supplies and events of the programs and facility usage. This amount is covered by your weekly/monthly church offerings and registration fee. Since most of the \$170,000 is paid for through your sacrificial giving through the weekly envelop or ParishPay, it is imperative that every family do their just part. If there is a difficulty please call Fr. John Andrew or the Religious Education Coordinator to discuss this matter. With everyone doing their part, our programs will prosper and be effective in nurturing the growth in faith of our young people.

Thank you for your careful reading of this letter and we look forward to working together for the sake of our children's faith development!

For all that has been we say, "Thank you".... for all that will be we say, "YES" in deep trust.

In Jesus,

Father John Andrew Connell
Pastor
